

**The end -of-year SATS results in reading, writing, SPaG and mathematics were:**

**44% of students in Year 6 achieved the standard in mathematics**

**44% of students in Year 6 achieved the standard in reading.**

**44% of students in Year 6 achieved the standard in writing.**

**44% of students in Year 6 achieved the standard in SPaG**

**These results were in line with predicted outcomes.**

**In terms of pupil progress, 89% of these pupils made the expected 6 steps of progress or more over the academic year.**

Currently 69% have achieved or are on track to achieve the required progress of six steps over the academic year. Of these,
