

Dear Parents/Carers,

Another busy week at The Willows Academy, so here are a few of the highlights.

Willows Wins Over Audience in Black History Production

‘Another quality Willows school event.’ This was one of the comments from those who attended the assembly yesterday where the classes of The Willows Academy impressed with their Black History production, ‘We Remember, Historical Moments of the American Civil Rights movement.

Each class presented one aspect of history during this inspiring event which was attended by the parents and carers who were at the school’s coffee morning. Well done for an interesting and captivating performance.

Elm tells the story of Rosa Parks who refused to move from her seat at the front of the bus.

Maple’s performance about Barack Obama - lovely Speeches and great pop-art.

Ash celebrated Black History with an inspiring report on Ruby Bridges.

Oak: ‘I have a dream.....’ Martin Luther King”

Beech completed the assembly with a moving poem about the life of a slave

Coffee Morning

On Thursday, the coffee morning welcomed Miss Evi, who talked to the parents on what it meant to be an eco school and the steps the school is taking to this end.

The parents also attended the school's Black History assembly, where classes presented some of the learning they had done during their October studies.

We hope that more parents will be able to attend these events and will keep you posted on any assemblies that will be coming up.
